TRADE 50% DISCOUNT

LANDSCAPE SERVICE

We believe that the professional landscape architect is better equipped by training and experience to give valuable advice in landscape design, plant grouping and outdoor construction than would be possible for a nursery to offer. Our business is growing and furnishing to our customers first quality in plant material.

We will gladly assist our customers in minor planting problems, and are prepared to recommend members of the American Society of Architects in your locality who can plan your Landscape development at a reasonable charge.

References

Lincoln-Alliance Bank & Trust Company, Main Office
Rochester, New York
and our satisfied customers.

Situation

We are situated eight miles east from the City of Rochester on U. S. 104, Monroe County.

We are not in Japanese Beetle area.

AUGUST VORNDRAN NURSERY
Webster, New York

TERMS AND INFORMATION

Prices are f. o. b. Webster, New York.
Packing extra at cost.

THIS LIST cancels all previous lists and prices
are subject to change without notice. All orders
subject to stock being unsold on receipt of order.

Terms CASH, except to customers of established
credit.

5% DISCOUNT WHEN PAYMENT ACCOM-
PANIES ORDER, otherwise 2% ten days.

C. O. D. ORDERS should be accompanied by
remittance of at least one-third of amount of order.

6% interest will be charged on overdue accounts.

SHIPPING—Please give definite shipping in-
structions. Otherwise we use best judgement but as-
sume no responsibility. All shipments travel at risk
and expense of purchaser.

“Standardized Plant Names” is authority for all
names used in this catalog (with few exceptions).

All evergreens balled and burlapped.

* indicates lining out stock, prices on request.

B&B signifies balled and burlapped.

12-15"	-----	1.00	B&B
15-18"	-----	1.50	B&B
18-24"	-----	2.50	B&B
Cistus crispus rosea	(Rockrose)*		
Hardy, light green foliage, silvery cast. Single lavender flowers, blooms most of the summer.			
8-10" twice transplanted	----	.40	
Cytisus multiflorus	White Gem*		
Compact broom.			
C. nigricans*			
Late flowering to 4 feet, of graceful habit.			
C. purgans	Provence Broom*		
Hardy, dwarf evergreen broom. No pruning required. Brilliant yellow flowers completely covering the plant. Rare.			
6-8"	-----	.40	
12-15"	-----	1.00	
C. purpureus	Purple Broom*		
A decidedly different plant among the Brooms. Dwarf, procumbent shrub, bearing attractive pur- ple flowers in profusion.			
6-8"	-----	.40	
12-15"	-----	1.00	

C. scoparius andreanus	Paradise Broom*
Erect, rapid growing shrub, with long slender branches. Hardy. Profuse bloomer, flowers red and yellow.	
18-24"	.80
C. scoparius*	
Well-known Yellow Broom, hardy strain from Scandinavia.	
C. s. Butterfly*	
Yellow and orange.	
C. s. Dorothy Walpole*	
Tricolor effect, crimson with rosy-cream background. Flowers a little smaller but are the deepest colored of all.	
C. s. Donard Seedlings*	
Garnet and yellow.	
C. s. Andreanus Hybrids*	
All shades from yellow to red.	
12-15"	1.00
Daboecia polofolia rosea	Pink Irish Bell Heather*
Dwarf Evergreen, foliage dark green silvery beneath. Large purple flowers resembling bells. Starts blooming in early Spring and continues until cold weather. Hardy and new.	
6-8"	.40
Erica stricta	Corsican Heath*
Fine, dense, bright green foliage. Native of Corsica. One of the hardiest of the heaths.	
4-6"	.40
Genista dallimorei*	
Handsome both in foliage and blossom. Abundant bloomer with flowers of mottled red, yellow and orange, red predominating. Compact and rare.	
12-15"	1.00
G. germanica	German Broom*
Very spiny, stiff upright branches. Yellow flowers. Good for hedges, makes a splendid buffer evergreen.	
G. sagittalis*	
Creeping broom. Yellow flowers. Very attractive. Makes a dense mat on the ground 2 to 3 feet in diameter.	
G. tinctoria*	
Best known and most widely planted, late flowering, grows to 2 feet.	
G. t. flora plena*	
Most profuse bloomer of all brooms. Low growing, height 5 inches, spreads 2 to 3 feet. Golden yellow flower heads, hides the foliage.	
10-15"	1.20
Helianthemum	Sunrose—Boule De Feu
Sun-loving evergreen plants, small but showy. Many small, double, deep red flowers.	
4-6"	.40
Helianthemum	Rosy-Gem
Rosy-red flowers. Upright habit.	
6-8"	.40

Jasminum officinale Common White Jasmine*

Hardy in the north, blooming most of the summer and late into fall. Dainty foliage is almost evergreen. Blossoms pure white.

2 yr. ----- .40

Pachistima myrsinifolia Mountain Boxwood*

Native of the Cascades, 3 to 4 feet. Thickly clothed with small ovate leaves of deep green. Hardy.

Rosmarinus officinalis Rosemary*

Fine evergreen, good in dry and rocky situation. Aromatic leaves produce oil of Rosemary. Small light blue flowers.

6-8" ----- .40

Spartium junceum Weavers or Spanish Broom*

Upright shrub, has slender, rush-like branches which are almost leafless and bluish-green in color. Fragrant bright yellow flowers are borne in large terminal racemes. Hardy as far north as Philadelphia. Hardy here ~~is~~ sheltered.

2-3' ----- 1.20

Teucrium chamaedrys Chamaedrys Germander*

Evergreen rock plant resembling heather. Grows to one foot, spreading to three feet. Fragrant foliage of bright glossy green, pink flowers. Good results can be obtained only by shearing immediately after blooming.

6-8" ----- .40
